

SCE Federal Credit Union Foundation Charitable Contribution Authorization Form

Over the past several years the SCE Federal Credit Union team has given hundreds of hours of volunteer service and thousands of dollars back to the community. To take that service to the next level, we founded the SCE Federal Credit Union Foundation. The Foundation's mission is to provide financial education and advancement opportunities within underserved communities throughout Southern California. We also provide grants to local organizations that are reinvesting in the community.

The Foundation allows us to expand our reach into the community and provide a tax-free vehicle for our members to be part of helping the community. Examples of our assistance include programs for low-income families, youth job and college preparation, youth mentoring programs, affordable housing programs, financial education efforts, and more. As a member of SCE FCU, we invite you to join with us in helping the many groups we assist.

Even more important, your Credit Union will match the amount you donate, up to \$100. * Think of it as a way of doubling the benefit your contribution will have in the community. Even a seemingly small donation can have big impact over time. Consider the following examples:

Amount per month ✖	=	Annual Contribution
\$8.33 per month	=	\$100
\$12.50 per month	=	\$150
\$16.67 per month	=	\$200
\$20.83 per month	=	\$250
\$31.25 per month	=	\$375
\$41.67 per month	=	\$500

- ★ Donation match program includes in-kind donations from SCE FCU, as well as cash contributions.
- ✖ Donation will occur as an automatic monthly transfer from your SCE FCU account.

Use this form to authorize your donation – you can cancel at any time. If you have any questions about the Foundation, please contact us at (626) 646-2208.
