

Section 1

The Trustor enters the name of the Trust and the date it was executed. The name of the Trust should read exactly as in the Trust Certification. This form is not to be for "Totten Trusts" or accounts opened under the "Uniform Transfers to Minors Act." The language of this section sets out an application for joint membership in the Credit Union between the trust and the Trustor(s) (who must presently be members of the Credit Union).

Section 2

This section requires the Trustor(s) to be member(s) of the Credit Union. In this manner, the Trust itself is entitled to become a member. All accounts opened under this Application and Agreement belong solely to the Trust. The Trustor's only interest in the joint membership are membership rights, such as the right to vote at a member's meeting.

Section 3

The Credit Union should not review the Trust Instruments or keep copies of the instruments on file.

Section 4-7

Fill in the names, addresses, social security numbers and additional information as requested of all Trustors, Trustees, Successor Trustees, and Beneficiaries.

Section 8

This section clarifies that the Credit Union is merely a depository for the funds held in Trust. Only, the Trustees who have signed the Living Trust Application and Agreement can transact business on the account.

Section 9

This section clarifies the point that your dealings with the Trust, Trustors, Trustees, and Beneficiaries are governed by this agreement only. The Trust Instrument, therefore, will govern only the Trustee(s) and not the Credit Union.

Section 10

This section puts the onus on the Trustor(s) and Trustee(s) to notify the Credit Union if there is any change in the trust instrument which would affect this Application and Agreement. In the event of a superseding change in the Trust Instrument, the Credit Union must insist that a new application and Agreement be completed with all pertinent information properly filled in.

Section 11-12

The language of the Application and Agreement allows any individual Trustee named in the Application and Agreement to transact on the account(s) of the Trust subject to Section 14. If the Trust Instrument requires Trustees to act in concert, it is up to the Trustees to enforce the trust provisions and not the Credit Union. The section also allows for the provisions of the Credit Union's Account Agreement and Truth-in-Savings Disclosure to apply in the event a Checking Account is opened by the Trust.

Section 13

In this section, the Trustee(s) should specify if they do not have the power to borrow on trust funds. Otherwise the Application and Agreement assumes that they have the power and the Credit Union may enter into loan transactions with the Trustee(s) on that basis. The provisions on the Application and Agreement form will control the nature of the business relationship between the Credit Union and the Trust. Therefore, if the Trustee(s) certify on the Application and Agreement that they do not have the power to borrow on Trust funds and try to pledge or otherwise use Trust funds as security at a later date, the Credit Union should refuse to do so (unless the trustee(s) file

a superseding Application and Agreement for Trustee(s) in which they certify that they are authorized to borrow on assets of the Trust).

Section 14

This section protects the Credit Union from encroaching on the duties of the Trustee(s) or otherwise acting as a Trustee (something which Credit Unions may not presently do). The section also sets out the procedure in the event the trust enters into a secured loan transaction with the Credit Union and a copy of the Trust is required by a third party such as a title company. It is important to emphasize that the Credit Union should not review the Trust documents or keep them in its files.

Therefore, the Trustee(s) must present the Trust documents to the Credit Union only in a sealed envelope. At that point, the trustee(s) must sign the "Receipt for Trust Instrument" form. The Credit Union should not accept Trust Instruments under any other conditions. (Alternatively, the Trustee(s) can send the Trust Instruments directly to the third party.) The signed receipt should be kept in the loan file to document that the Credit Union has had no exposure to the Trust Instrument.

The position of the Credit Union is that it is a mere depository of Trust funds and that any business transacted with the Trust is in accordance with the instructions of the trustee(s) as documented by the Application and Agreement. The Trustee(s) in turn is governed by the trust provisions. It is the duty of the Trustee(s) and not the Credit Union to enforce the provisions of the Trust.

Section 15

This section provides that when the Trust borrows from the Credit Union (where permitted under Section 13 above) either a member/Trustor or a member/Trustee must sign the loan documentation as an individual maker together with the Trustee(s) on behalf of the Trust. In this manner, the Credit Union may lend to the Trust an amount which exceeds the amount of shares the Trust has on account at the Credit Union since a "natural" person has signed as a maker.

Section 16-19

In the event of death, incompetence or resignation of a Trustor or Trustee, Section 16 allows the Credit Union to proceed under the terms of this Application and Agreement until the Credit Union receives written notice thereof. Section 17 is self-explanatory, Section 18 is an indemnity and hold harmless agreement. Sections 19, 20 and 21 are self-explanatory.

Request for Taxpayer Identification Number (TIN)

This section is a Request for Taxpayer Identification Number and corresponds to IRA Form W-9. For an Irrevocable Trust, you are required to obtain an employer identification number (EIN) of the Trust itself. Usually this number will start with the numbers "95-_____". Generally in the case of a Revocable Trust, the TIN is the Social Security Number of the Trustor. Recall, again, that this form is not to be used for "Totten Trust" accounts. For information on TINs, we suggest the Trustor/Trustee consult the "Instructions to Payers Request for Taxpayer Identification Number and Certification (IRS Form W-9)".

Signatures of Parties

All Trustor(s) and Trustee(s) must sign the Application and Agreement. You will note that the Trustor(s) and Trustee(s) are required to sign under penalties of perjury that they have the authority and are empowered to transact for the Trust. This certification should protect the Credit Union in the event the Trustee violates his or her fiduciary duties to the Trust.

- Any deposit account, (EXCEPT INDIVIDUAL RETIREMENT ACCOUNTS [IRA]) can be held in the Trust. The Credit Union is merely a depository for the funds held in the Trust. Establishing an account that is to be included in the Living Trust is the same as establishing any other account. Only the Trustee(s) who have signed the Application and Agreement can transact on the account. Any subsequent account(s) opened at the Credit Union in the name of the Trustee will be governed by this Application and Agreement and the terms and conditions herein.

9. In the event that all Trustee(s) die, resign, become incapacitated, refuse to act or the Credit Union receives conflicting instructions, the Credit Union reserves the right to interplead any and all funds held in account(s) opened under this Application and Agreement and to deduct its attorney's fees for the interpleader action from the Trust account funds.
 10. If there is a change in the parties or terms of the Trust, including, but not limited to, a change in Trustee(s), or a change of address of Trustor(s)/Trustee(s), all Trustor(s)/Trustee(s) agree to execute a new "Application and Agreement". Such change shall not be effective until the Credit Union has received a properly completed and executed "Application and Agreement" and has had a reasonable opportunity to act on it. In the event of a change of address of Trustor(s)/Trustee(s), the trustee(s), agree to notify the Credit Union promptly of such change(s).
 11. The Trustee(s) certify that they are duly appointed under the Trust Instrument and that by the authority vested in them under the Trust Instrument, they, acting alone or in concert are authorized and empowered to transact business of any kind in connection with the Trust's accounts and the Credit Union. It is agreed that any transaction by the above-named Trustee(s) acting alone or in concert, shall be valid and discharge the Credit Union from any liability. Trustee(s) agree that any account opened at the Credit Union on behalf of the Trust shall be governed by the terms of this Agreement, as well as the Credit Union's Bylaws, additional Account Agreement and Truth-in-Savings Disclosures, which are incorporated herein by reference.
 12. Trustee(s) may authorize the transaction of any business on accounts held at the Credit Union in the name of the Trust by their oral or written instruction to the Credit Union. Trustee(s) may obtain funds from the Trust's accounts in their names or the names of third parties upon trustee(s) written or oral instruction.
 13. The Trustee(s) may receive, take possession of, release, assign, mortgage, pledge, hypothecate or otherwise use assets of the trust as security for a loan from the Credit Union or any other purpose except as specifically set forth below:
-
14. If the Trustee(s) named on this Application and Agreement borrow from the Credit Union and the Trust Instrument must be examined by a third party (for example, a title company), the Credit Union agrees to forward a copy of the Trust Instrument from the Trustee(s) to a third party only if Trustee(s) present a sealed envelope containing the Trust Instrument to the Credit Union. The Credit Union will not accept copies of the Trust Instrument which are not in a sealed envelope. Further, the Credit Union will not keep any Trust Instruments in its files or be liable for the contents of a Trust Instrument. The Trustee(s) shall sign on a form designated by the Credit Union that the Credit Union has received the Trust Instruments in a sealed envelope when the Trustee(s) present(s) the Trust Instrument to the Credit Union.
 15. Trustee(s) agree that if they borrow from the Credit Union and use Trust assets as collateral, then the Trustor(s) or the Trustee(s), as members of the Credit Union, will, by signing all documents relating to the loan, obligate themselves as individuals in addition to the signatures of the Trustee(s) on behalf of the trust.
 16. Trustee(s) agree to promptly notify the Credit Union if any of the Trustor(s)/Trustee(s) die or become incapacitated. Prior to any Successor Trustee(s) transacting business on accounts held at the Credit Union in the name of the Trust (including any withdrawal pursuant to Section 17 below), the successor Trustee(s) must provide the Credit Union with either a letter of registration signed by the existing Trustee(s) or a certified copy of the death certificate for the Trustee(s). The Successor Trustee(s) must complete a new Application and Agreement as well as a Certification of Trust. Death, resignation or incapacity of any Trustor(s)/Trustee(s) shall not revoke the authority of the Credit Union to act under this Application and Agreement until written notice of death, resignation or incapacity has been presented to the Credit Union and the Credit Union has reasonable opportunity to act on it. However, upon presentation of a certified copy of Trustee(s) death certificate(s), resignation or judicial declaration(s) of incapacity, the Credit Union is authorized to act upon designated Successor Trustee(s) instructions in accordance with the terms of this Application and Agreement.
 17. Successor Trustee(s) shall close all accounts opened under this Application and Agreement within 90 days after receiving notification of death, resignation or incapacity of the Trustee(s). Credit Union is authorized, but not required, to close any accounts opened under this Application and Agreement upon the 91st day after receiving notice of the Trustee(s) death(s), and mail a check to the designated Successor Trustee(s), for the balance of the account and made payable to the designated successor Trustor(s)/Trustee(s) or the above-named trust. The parties may be able to maintain the Trust accounts at the Credit Union under a new Application and Agreement. See a Credit Union account representative for eligibility.
 18. Trustor(s) and Trustee(s) acknowledge and agree that the Credit Union's sole obligation to the Trustor(s)/Trustee(s) is as a depository institution and is a debtor/creditor relationship and nothing in this Application and Agreement or in the Trust Instrument shall be construed to impose any duties or obligations whatsoever upon the Credit Union as a trustee or other fiduciary under the Trust Instrument or otherwise.
 19. All Trustor(s) and Trustee(s) hereby agree for the Trust, themselves and all Trust Beneficiaries for the life of the Trust and the statutory life of any cause of action involving any account of the Trust to indemnify and hold harmless the Credit Union from any and all claims, suits, actions, damages, judgments, costs, charges and expenses, including, but not limited to, court costs and attorney's fees, resulting from any and all liability, loss and damage of any nature whatsoever that the Credit Union shall or may sustain resulting from the establishment, maintenance and transaction of any business on any Trust account at this Credit Union. The Trustor(s) and Trustee(s) on behalf of the Trust agree to pay any necessary expenses, attorney's fees or costs incurred in the enforcement of this Application and Agreement.
 20. Trustor(s) and Trustee(s) acknowledge and agree that the Credit Union is relying upon the statements, representations and warranties made by the Trustor(s) and Trustee(s) contained in this Application and Agreement, and that the Credit Union shall not be responsible in any way for verifying either the existence, validity or legality of the Trust itself, or the authority or powers of the Trustee(s) under the governing Trust Instrument to establish, maintain or transact any business on the Trust accounts. The Credit Union reserves the right at any time to require the Trustee(s) to execute and provide a Certification of Trust pursuant to California Probate Code Section 18100.5, in form and substance acceptable to the Credit Union, affirming the existence of the Trust and authority and powers of the Trustee(s) thereunder.
 21. This Application and Agreement incorporates the full and complete understanding concerning accounts, and transaction of business thereon at the Credit Union for the above-named Trust.
